

# IS MIGRATION REALLY FOR YOU?

## LIKELIHOOD OF SUCCESS

We will only take on your case if, at the outset, there appears to be at least a reasonable likelihood of success. You will receive an honest and clear written assessment of your eligibility for immigration before we agree to act for you.

## "PAY AS YOU GO" POLICY

Unlike others in the industry, ICSI does not charge "upfront" fixed fees. You pay on a progressive basis, as and when work is completed on your application\*. This way, you can monitor the progress of your case while ensuring that the costs are more conveniently spread over the entire application process\*.

*\* See terms and conditions for conditions and exclusions.*

## FEE PROTECTION

We are committed to maintaining the quality and effectiveness of our migration consulting service. In the very unlikely event that you find a valid error or mistake with any aspect of our service, simply advise us, and we will put the matter right wherever realistically possible at no further cost to you in terms of our consulting fee.
